Dear Flemington Raritan Baseball Families,

Happy New Year! We hope you are looking forward to another great season of baseball. It is with great pleasure that we announce that registration for the 2019 Spring Flemington-Raritan Baseball (FRB) season is now open on the FRB website. We look to build on a successful 2018 season through ongoing facility improvements, the continuation of in-season baseball clinics, Majors skills competition, and the ever-popular Friday Night Lights series.

Included below is an overview of the programs we offer for the 2019 spring season.

In addition to games and team practices, FRB will continue to provide Monday instructional clinics. These clinics are intended to further develop our player's fundamental baseball skills and enhance their enjoyment of the game.

FRB strives to provide a positive, affordable opportunity for the children in our area to learn and enjoy the game of baseball. To help offset registration fees, we offer a refundable $50 work-bond as well as a $60 multi-child discount. We do not want cost to be a barrier for our children playing baseball. If you need assistance or have any questions or concerns, please contact a member of the board and we will help.

Play Ball!

Sincerely,

Kirk Eisenbeil, President
